

Northern Light Health Sebasticook Valley Hospital is seeking a BC/BE general surgeon. Bread and butter surgery, with high volume elective surgery and low volume emergency surgery. Upper and lower endoscopy ability required. Breast surgery preferred, but not required.

Northern Light Sebasticook Valley Hospital is a progressive, Joint Commission accredited, 25-bed Critical Access Hospital (CAH) in Pittsfield, Maine that serves an area encompassing 40,000 people throughout the central region. We come to work every day committed to improving healthcare for our patients. Northern Light Sebasticook Valley Hospital offers a wide range of both inpatient and outpatient services, including a Surgical Unit, Medical-Surgical and Special Care Unit, Swing Bed Unit, Women's Health Center, Rehabilitation centers, primary and walk-in-care medical offices in three locations and more than twenty specialty services. Northern Light Sebasticook Valley Health has access to tertiary specialty services through a "one call" transfer system and is also served by Lifeflight of Maine, an emergency medical air transport service with a helicopter and fixed-wing aircraft. Northern Light Sebasticook Valley Hospital is a member of Northern Light Health, an integrated statewide health delivery system that is raising the bar with no-nonsense solutions that are leading the way to a healthier future for our state. Northern Light Health offers a broad range of providers and services, including nine hospitals, primary care and specialty physician practices, long-term care, home health and hospice agencies, and emergency ground and air transport.
